1. Pre-Exam Information Section

Final Exam - Term 2, 2022

PRE-EXAM INFORMATION:

The Final Exam Section will appear here on **Monday 22 August 2022**, available from **9.00 AM to 1.00 PM** (Sydney time).

Before the exam:

Before the start of the exam, please familiarise yourself with the following:

- Moodle System Requirements
- Online exam preparation checklist
- Special consideration (in the event of a major technical issue)

Important Information about Multi-Factor Authentication (MFA)

From 1 August, you will be asked to verify the sign-in using the Microsoft Authenticator app before you can access **UNSW single sign-on (SSO)** applications for their studies including online assessments and exams (Moodle, Inpera, Mobius, Teams, Zoom, etc).

MFA instruction for exams: When accessing University applications such as Moodle, Teams, Zoom, or any UNSW system, you will be required to verify your sign-in using the Microsoft Authenticator app. It is therefore important to always remember to have your smartphone with you for MFA verification beforehand. Before your exam, please ensure you have followed these instructions to [setup MFA on your University account](#). Please allow extra time to sign in with MFA before your exam starts.

Day(s) before exam/assessment:

- Ensure you have set up Multi-Factor Authentication (MFA) using your zID on your smartphone and know what to do when prompted to verify your sign-in when logging into UNSW systems. See '[How to use MFA](#)' guide.

Day of exam/assessment:

- Ensure you have your mobile smartphone fully charged and set up for MFA. Before your exam starts, make sure you can log into the required systems and if prompted for MFA via a push notification on your smartphone, tap Accept to continue. Please see [How to use MFA](#) guide.
- Once you have verified your sign-in using your smartphone, put your smartphone aside, face down before the exam begins. Please allow extra time to sign in with MFA before the exam starts.

2. Final Exam Section

FINAL EXAM SECTION:

You must read the below declaration and mark as done before you can access the exam section.

Student Declaration:

Assignment Project Exam Help

By submitting this assessment, you declare that:

- This assessment item is entirely my own original work, except where I have cited or acknowledged the use of source material (such as books, journal articles, other published material, the Internet or the contribution of other identified persons).
- This assessment item has not been previously submitted for assessment for academic credit in this or any other course or program at UNSW or elsewhere.

I acknowledge and accept that:

- The assessor may, for assessment purposes, provide a copy of this assessment to another member of the University.
- The assessor may submit this assessment item to a plagiarism/originality checking service (which may then retain a copy of the assessment item on its database for the purpose of future plagiarism checking).
- The use of third-party essay/writing services is impermissible at UNSW and will be treated as plagiarism in accordance with applicable policies and procedures.
- Plagiarism detected in submitted work is treated as a failure to act responsibly, ethically and with academic integrity in accordance with student responsibilities found in Student Code of Conduct. The University may take disciplinary action under the Student Misconduct Procedure.
- Reproducing, publishing, posting, distributing or translating lecture or tutorial material without permission is an infringement of copyright and will be referred to the Student Conduct Integrity Unit for action.

By submitting this assessment you are hereby confirming the above statements are true and correct.

Mark as done

Email Etiquette - Reminder

- ❑ If you need to contact the LiC Kam-Fung (Henry) Cheung (kf.cheung@unsw.edu.au), you can send emails only from your UNSW account:
 - ❑ The subject field **must** assign with **COMM1822 Exam Help**
 - ❑ You **must** sign your email message with your Full Name and your zID.
 - ❑ **Send short, brief, and concise email messages.**
 - ❑ Emails that do not follow the email etiquette may not receive a response.
- Add WeChat powcoder**
- ❑ You **cannot** contact any **COMM1822 tutor** for the entire duration of the exam until the final grades are released.
 - ❑ Tutors will NOT respond to any email regarding your exam/marks.
 - ❑ Tutors will NOT forward your email to the LiC.

Referencing and Integrity

- ❑ You DO NOT need to cite the use of textbook, lecture slides, course notes (you do NOT need to say things like “The lecturer said...”, for the purpose of COMM1822 final exam we consider this as official course materials/internal sources.
- ❑ ALL OTHER SOURCES OUTSIDE OFFICIAL COURSE MATERIALS including website links you find on course slides **is subject to potential plagiarism rules if not properly acknowledged**. If you access an external link, you must acknowledge it. Ensure you read the university rules on plagiarism and if in doubt regarding Harvard referencing.
- ❑ **University academic misconduct and plagiarism** – take the time to know what the rules are. My advice is – don’t risk it!
- ❑ This final exam guide is NOT exhaustive. It is the student’s responsibility to check the university rules and UNDERSTAND them. If you are unsure, contact the university’s learning advisor for support, as it is not your tutors or LiC’s role to teach you referencing. (support links provided on slide: University Study Support).
- ❑ Ensure your answers are your OWN WORK. Copy pasting materials verbatim even if you have in-text referencing does NOT meet the criteria of producing your own work.

Create a study plan

- ☐ Decide how you prefer to study (sequentially, based on the level of difficulty, etc.)

Assignment Project Exam Help

- ☐ As you study each topic, reflect:

- ☐ Am I able to explain the relationship of one topic with another?
- ☐ Am I able to explain how it works and applies to real world examples?
- ☐ Can I identify solutions as I read through challenges associated with chapter cases?
- ☐ Can I explain impacts when I read through case problems?
- ☐ Can I distinguish key themes vs details and understand the 'big picture'?
